Please answer the following questions in two pages or less.

1. Please describe your involvement in the Youth Master Plan Coalition to date. Please describe your anticipated future involvement.
2. Please briefly describe the training.
3. Please describe the project you plan to launch upon taking the training. How many people do you anticipate the project will reach? What population, in particular, do you plan to reach? How long are you committing to the project? Please give any other details that will help us understand how you will use the training.
4. Please describe how your proposed project will move forward at least one specific Youth Master Plan Goal. They are:

EDUCATION

- To inspire academic achievement across all grade levels
- To increase the number of students pursuing post-secondary education or vocational training
- To improve school district vitality and viability

PROGRAMS AND ACTIVITIES

- To prioritize, diversify and strengthen youth programming
- To improve collaboration, coordination and communication among youth service providers
- To reduce barriers to participation (in out-of-school programs and activities)

HEALTH AND PREVENTION

- To reduce community norms favorable to problem behaviors

COMMUNITY DEVELOPMENT

- To improve access to schools, parks and other public spaces
- To increase volunteer activities that support or involve youth
- To develop and maintain community facilities that serve key functions in youth development

FAMILY ECONOMICS

- To assist in the development of local economic factors favorable to family stability

You can find a full copy of the Youth Master Plan by going to www.lcbag.org and clicking on the tab for “Research and Plans.”

5. Have you raised any matching dollars from any other agency or grantor for the training and/or are you personally planning to contribute anything to the cost of the training, associated travel costs, or implementation costs for your project?

If funded, grantees will be asked to respond to reasonable requests for information from Lake County Build a Generation and may be asked to work with our Evaluation Coordinator to evaluate the success of any programs, policies, infrastructure or other changes that are implemented as a result of this training. Please sign below to indicate your understanding of these requirements.
