

Lake County Build a Generation

*Organizing Lake County to build a healthier
community for youth and families.*

Application for Training Sponsorship

Please fill out the following application to request a LiveWell Leadville sponsorship for a training. Applications will be reviewed on a rolling basis by the Lake County Build a Generation Executive Committee, which generally meets the last Wednesday of every month.

Training Name: _____

Brief Description of the Training:

Dates: _____

Requested Amount: _____

Please answer the following questions in two pages or less.

1. Please describe your involvement in the Lake County Build a Generation Coalition or LiveWell Leadville project to date. Please describe your anticipated future involvement.
2. Please describe the project you plan to launch upon taking the training. How many people do you anticipate the project will reach? What population, in particular, do you plan to reach? How long are you committing to the project? Please give any other details that will help us understand how you will use the training.
3. Please describe how your proposed project will move forward the specific goals and strategies of the LiveWell Leadville CSP. You can find a copy by going to www.lcbag.org and clicking on the tab for "Research and Community Strategic Plans."
4. Have you raised any matching dollars from any other agency or grantor for the training, associated travel costs, or implementation costs for your project? Are you personally planning to contribute anything to the cost of the training, associated travel costs, or to the implementation costs for your project?

If funded, grantees will be required to complete bi-annual reports of their project for at least one year after training—and to respond to reasonable requests for information from LiveWell Leadville. Please sign below to indicate your understanding of these requirements.

Grants will be decided based on the following criteria:

25%: Current or anticipated future involvement in the LiveWell Leadville project or Lake County Build a Generation Coalition.

20%: Proposed project, especially its ability to impact a large portion of the community, its ability to impact a subgroup at greater risk for health disparities, and/or its sustainability.

40%: Degree to which the proposed project will move forward the goals of the LiveWell Leadville Community Strategic Plan.

15%: Matching contribution to training
